DESIGN YOUR PERFECT SCHOOL

1. NAME OF THE SCHOOL

In our perfect school, the name is Dreamlight Academy. It's a modern and fun place for students to learn and grow.

2. SCHOOL RULES

Students should be respectful and kind to each other. They can use their phones during breaks. Students should not have too much homework. We think school should be a happy place.

3. SUBJECTS

Our school has interesting subjects like robotics, art, drama, and even video game design! Students can choose what they want to learn.

4. TIMETABLE

School starts at 10 a.m. and finishes at 3 p.m. We have two long breaks and one lunch break. Each class is only 40 minutes.

5. FACILITIES

There is a swimming pool, a game room, a science lab, and a music studio. We also have a relaxation room with bean bags and books.

6. TEACHERS

Our teachers are friendly and creative. They help students and make learning fun. They don't shout — they support!

7. UNIFORMS

There are no uniforms in our school. Students can wear what they like, but it should be comfortable and school-appropriate.
